1 THE COURT: Well, you know --

2 ATTORNEY BRZEZYNSKI: -- I must do that.

3 But it does not affect anything. But I wanted to make
4 sure that my representations to the Court were correct.
5 It is of no impact to the decision. We still represent
6 those domain names. But I wanted to make sure that my
7 representations were accurate to the Court and not in
8 any way misleading.

9 THE COURT: Okay. Well, you are going to
10 need to get a line of communications that's clear with
11 your client, and is one that your client can react
12 quickly to.

13 So I don't care about holidays. I don't
14 care about things like that. If you are going to be
15 representing somebody in this Court, you are going to
16 have to have a clear line of communication with them.

17 And, as you know, we move very quickly here
18 and they need to be apprised of that situation, that
19 there are deadlines that need to be met and they will
20 need to be met and there are not going to be any
21 exceptions because they are, you know, in China and they
22 don't speak English. Okay?

23 ATTORNEY BRZEZYNSKI: Yes, I do, your Honor.
24 Certainly.

25 THE COURT: All right. All right.
